

## Patient Portal Registration Process for Patients

If this is your first time logging in to the Patient Portal you must meet these requirements:

- **Provide an email address at the time of registration at Dorminy Medical Center.**
- **Know your Medical Record number** (located on bracelet received when having a procedure or outpatient service) **The M number consists of an M followed by four zeroes then your number (Ex: If your number is 11111, then your Medical Record number will be – M000011111)**

**\*\*If you do not know your Medical Record Number, stop by Medical Records and sign a release form to receive the information. A photo I.D. is required. Medical Records is located at the front desk of the hospital. (Enter through the front entrance)\*\***

If you have an email address on file and know your Medical Record number, you can self-enroll for Patient Portal access here: <https://www.dorminymedical.org/patient-portal-page> then click on **Patient Portal Login**. There are two tabs: **Sign In** (if you already have an account) or **Create Account** Click on the **Create Account** tab and complete the registration process, then click submit.

If you have already created an account, click on the **Sign In** tab and enter your username and password, then click sign in.

Problems logging in? Use our [Password Reset page](#) to have a new password sent to your email address on file.

The patient portal provides access to all of your hospital visits, including procedures and lab/test results.
